STEVE

My name is Steve, I love to be out on the ice. My passion for hockey started at a young age and led me all the way through high school as a player for Hill Murray. My real dedication, however, is as a coach. I coached youth hockey for many years at multiple levels, and most recently took on a head coach position with Hometown Hockey, right here in Andover. I am also the Director of Hockey Development through the Andover Community Center.

It is my goal to equip children with the knowledge, training, and development they need to be successful skaters. I hope to pass on my love and passion of skating to kids of all ages so they make it a part of their future too.

Then we moved to Andover and I played with Legacy Christian Academy my Sophomore year, and now I attend Andover High School and play for the Andover's boys hockey team.

MADI

Hi, My name is Madi, I am a senior at Legacy Christian Academy. When I was 5, my parents enrolled me in Learn to Skate and I skated at Anoka Ice Arena for several years. I enjoy going to my family's cabin and ice skating with family and friends. Winter is long in Minnesota, and having a winter sport to enjoy, helps winter go by faster. Ice skating is a sport you can do at many levels, you don't have to be an expert to enjoy skating.

LUCAS

My name is Lucas, I started skating at the age of 7 and played for the Mason City Mohawks for 7 years. I moved to Minnesota from Iowa last year. I played for Legacy Christian Academy last year and I decided to take a break for it this year. I want to keep the game of hockey alive for future generations.

RYAN

My name is Ryan, I am a senior at Champlin park high school and I have been playing hockey for 14 years! I started skating on a pond nearby and instantly fell in love with it. I have plenty of experiences I can hopefully share to help others improve.
